# The King's Ken

This was the end of year speech by Nico Garach. Nico was a prefect in 2016. We thought you would enjoy his sentiments...

I never thought the day would finally arrive. The day I get to stand up here and say goodbye to all of this, to all of you.

When I walked through these gates in 2003 I never thought I'd be standing here today with the amazing honour and humbled privilege to reflect upon the journey I've taken with so many of you at this amazing facility called The King's School West Rand.

Some of these teachers have seen me, and many of my fellow matrics grow up, but like every page to a chapter, we come to the end and the time for a new chapter begins. We have come to the dusk of an old chapter and the dawn of a new one.

**To the students of The King's School West Rand, Be Brave, Be Strong, Be Courageous and Rise Up.**

Rise high up. Rise above any circumstance or situation. Play on each other's strengths and cover each other's weaknesses knowing that we stand for something which prevents us from falling for anything. A good man once told me to never, never, never, never, never give up. What this has taught me, what the teachers of The King's School have taught me is that you can achieve anything you set your mind to.

**Above all and in all these things, always keep your eyes locked on God, cause if you can see him, you can get to him and if you can get to him then there is no place on earth you cannot go.**

To the teachers of The King's School West Rand, I used to think it takes a special kind of person to be able to come back every day and deal with all us crazy students. But I was wrong. It takes a special kind of love. We've had our moments when we felt like killing one another, but more importantly our moments of laughter and happiness. And through it all we've come to this point where the matrics would like to say thank you for the pivotal role you've played in our lives leading up to this very moment which will now overflow into stepping stones from this moment forward.

**Teachers, thank you for the part you played in moulding these boys and girls into the men and women you see before you today.**

You see your position in our lives is not by coincidence, but by appointment, and God couldn't have picked any better. Thank you for your obedience. Your rewards await you through the testimony of our lives and in heaven where the Father has set a table just for you.

School fees must be paid in advance, before the 7th of each month, 12 Months of the year.

## PLEASE TAKE NOTE

that **NO** parent will be allowed to enter the school property and walk into the classroom area at any time.

## PLEASE REPORT TO RECEPTION FIRST!

It is imperative to remember that our office staff cannot be expected to deliver stationery, books, lunch or uniform forgotten at home during the day. We have close to 1 000 pupils on the property and it makes it very difficult if parents set that kind of expectation to the ladies to deliver to the classroom.

**IMPORTANT NOTICE  
TO PARENTS**

## PRIMARY SCHOOL PARENTS DURING THE SCHOOL DAY

Parents, please take note:

- Please drop your child in the morning and leave when the bell goes for the start of the academic school day.
- No parent will be allowed to stand at the line-up blocks for the children after the bell has gone.
- No parent will be allowed to gather in front of a class at the end of a school day. Please be courteous towards the teacher and collect your child at the exit of the building of the Primary School.
