KNOWLEDGE FOR LIFE

The world is changing so rapidly now in the Information Age. It becomes incumbent on us as parents and educationists to handle knowledge and teach kids to handle knowledge not in an additive way, where each new bit of information is added to a treasure house of knowing. No, we need an approach where knowledge is active and able to form and direct its recipients.

The ancient Greeks were good at this. I was awed to read in a Bible commentary how the Greek scholars saw knowledge. The commentary writers say that the gaining of knowledge "is not an acquaintance with facts as external, nor an intellectual conviction of their reality, but an appropriation of them as an influencing power into the very being of him who knows them."

Wow. I love that, especially because facts that are external are going to become more and more digital than memory, but knowledge that is delivered and received in responsive obedience is in a different realm. This is

knowledge that as the Greek scholars believed is "co-extensive with life and useful for application".

As we train kids to receive knowledge that forms and shapes them, let us remember the God's divine power has given our kids everything they need for life and godliness. May he help us to grow in him.

GRADE 7 SPUR EVENING

Thank you to everyone that came to Spur. Despite a line at the door the Grade 7's remained calm and dealt with customers in a professional manner.

Without the support of our greater King's family on both Spur evenings the Grade 7's would not get a first-hand experience of the inner workings of a business.

SPORTS CORNER

HOCKEY

The Sports Department entered the under 11 and under 13 Boys and Girls hockey players into a 5-a-side Tournament on 26 August 2017. The coaches selected individuals since we were unable to take the entire team. Our teams did an outstanding job and had a blast playing on the astro – some of who stepped onto this surface for the very first time.

PS BOYS HOCKEY

The Primary School Hockey boy played against Laerskool Dr. Havinga on 30 August.

Both teams ended up with goalless draws.

Good luck for the last match and let's hope that we make the finals of the D12 League.

PS GIRLS HOCKEY

Wow what a season! With only one league match left to go, our u11 and u12 teams have not lost a single match to date. Well done!

Results of matches against St. Catherine's on Thursday 31 August 2017.

**U10 lost 4:0
U11 won 7:1
U13 lost 1:0**

HS TENNIS

For the first time in the history of the school, D12 has organized a High School Tennis match. These first ever matches were played on 29 August.

Our seniors took on Hoërskool Florida and the junior team played against Maragon Private School.

The junior team won 14-23 and the seniors narrowly lost 22-20. Well done to these players and we are excited for you to be part of the growth in Tennis.

<u>Junior Team</u>	<u>Senior Team</u>
Kyle Lake	Jordan Harvey
Matthew Phillips	Jonathan Harvey
Andrew Beijl	Omphile Ledwaba
Liesje Eigenhuis	Karabo Dlamini

PS TENNIS

We are counting down the weeks for the tennis league to come to an end. On 28 August, our primary school tennis players played against Laerskool Roodekrans and Laerskool Horison.

The juniors played very well against Laerskool Horison and won 28-14. Christian Joshua, Erin Chambers, Hlahlobo Mofokeng and Nhlosehle Mabanga won all of their matches! Congratulations to these tennis players.

The seniors played Laeskool Roodekrans and unfortunately lost 23 - 14. Keep your chins up and finish the league strong!

HS GIRLS SOCCER

The JvW Girls Soccer League has kept our soccer girls really busy playing matches twice this past week.

Unfortunately, both teams lost their matches against Mondeor on Tuesday 29 August.

We played Roosevelt Park High on Thursday 31 August 2017, our U15 team won 5-0 and the Open Team lost 4-1. Goal scorers for the day: Rachel Baker, Christy Noble and Christinna Anika. Well done girls! We are super proud of you!

POINTERS FOR PLAYERS AND SPECTATORS CODE OF CONDUCT:

With only a few weeks left on our Extra Mural calendar, lets continue to conduct ourselves in a godly manner and thank God for our learners' skills, abilities and talents.

PLAYERS CODE OF CONDUCT

- Thank God for my talent, and ask Him to develop me to my full potential.
- To play in such a way that God is glorified.
- Play by the rules.
- Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the match.
- Control your temper. Verbal abuse of officials and 'sledging' other players, deliberately distracting or provoking an opponent are unacceptable behaviour in any sport.
- Work equally hard for yourself and your team.
- Be a good sport.
- Treat all participants in your sport as you would like to be treated.
- Co-operate with your coach, team-mates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please your parents and coach.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background or religion.

SPECTATOR'S CODE OF BEHAVIOUR

- Pray for God to guide the coaching staff.
- To ask God for patience and discernment with regard to all aspects of the game.
- Respect the coach's team selection.
- Never criticise the coach in front of players or other spectators, wait for an appropriate time to speak to the coach or speak to the co-ordinators.
- Remember that young people participate in sport for their enjoyment and benefit, lets work together to keep it fun.

- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the games outcome.
- Respect the decision of officials and teach young people to do the same.
- Never ridicule or scold a young player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in a constructive manner, whether it is spectators, coaches, officials and players.
- Encourage players to follow the rules and the official's decisions.
- Do not use abusive language, 'sledge' or harass players, coaches or officials.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

LINES OF COMMUNICATION

If you have a serious concern during the season, follow the correct line of communication. As a school we make use of the Matthew 18 principle.

- Speak to the manager first.
- If not resolved you may then approach the Sport Co-ordinator.
- Vice Principal Extra Murals and lastly,
- The Principal.
