A LACK OF **DIRECTION** AND **MOTIVATION**

My heart is breaking for this generation. And my prayer is that you would allow God to break your heart for this generation too. Worldwide we see that youngsters are disengaged when it comes to societal reform or renewal initiatives, in fact there is increasing resentment instead.

This generation of young people are said to be largely without hope, foundation or purpose. They may have degrees and many other competencies, but lack direction and motivation.

Parents, let us be a counterculture to the mainstream. Let us teach our kids that they

have a God-given purpose in this world, a unique make-up to make a unique contribution to God's story. Their foundation is God's unchanging Word and his promises, their hope is in their adoption as sons and daughters of God ("and if you are sons, then you are also heirs"), their purpose is in contributing to the already unfolding redemption and restoration of the created order, and they expectantly await the consummation of the Kingdom of God ("Behold, I am making all things new").

If God is for us, then who can be against us?

Regards
