# Hi everyone!

My name is Wade Stephen and I was a former prefect at The King's School, graduating in 2013. The King's School did so well to ensure that I could cope with the immense pressures which University placed upon me. I did a BA Law degree from 2014 – 2017, graduated and was accepted into the two year LLB program.

The King's School West Rand moulded me into a self-disciplined and organized individual who consistently adheres to the various time management principles. I recall in my high-school years, we were required to do a 'One Research Task', which placed a great deal of focus on acquiring research and the importance of not plagiarizing ones work.

Beyond this, the frequent test days at The King's School served as a means of placing pressure on the individual to plan ahead, as time management serves as your greatest ally in University. These things allowed me to not only achieve my BA Law degree but to also receive a 'professor's recommendation' to do honours in Political Studies and to be accepted into the two-year LLB program. Now I am closer to achieving my dreams of one day becoming an advocate.

The King's School taught me to acknowledge the Lord in everything I do and achieve because without constant prayer and having faith that He will provide – I would not have achieved this degree. As a student, start your day in the correct manner and seek to have a personal relationship with the Lord; pray and read your Bible, then let God handle all the academic stresses which you are bound to endure.

**I would recommend The King's School to any parent because it teaches kids that the forefront of your successes will always be owing to God's grace.**

Regards

**WADE STEPHEN**

# ATHLETICS

The King's School West Rand had 8 learners represent the Roodepoort Cluster at the D12 Championships for athletics. We had our highest number yet to qualify to go through to Gauteng. Congratulations to our athletes for making it to this high level of athletics and we pray that God's favour will be with you. The Gauteng Athletics Championships will be held at Pilditch Stadium on 9 and 10 March.

## RESULTS OF GAUTENG ATHLETICS CHAMPIONSHIPS ON 2 AND 3 MARCH 2018

Chioma and Oluchi Olebuike, Kayle Richardson and Reece Jones represented D12 at the Gauteng Athletics Championships at the Ruimsig Athletics Stadium this past weekend. What an amazing achievement! We are so very proud of all of you.

Congratulations to Oluchi Olebuike who came 3rd in the Girls u13 Long Jump after a massive 5.13m jump. Due to her exceptional performance, she received Gauteng colours and will be representing Gauteng at the National Championships to be held in Paarl, Western Cape during the school holidays.

**WELL DONE OLUCHI!!  
WE ARE SUPER PROUD OF YOU!**

## Proud Matric Moment

The matric students read an article during an Afrikaans lesson about chores and how a certain young lady in the USA complained about not being paid for making her bed and doing her own washing! I decided to let the matrics do "chores" at school, offering their help in the admin offices, preschool, copy room and at the Mouthful Café. Some learners also helped in the school wear shop and setting out chairs in the hall. A few students decided to spoil some teachers with an unexpected cup of tea or coffee!

Although this seemed like a blessing to everybody who needed help, the learners actually were commenting on how much they enjoyed it and that they experienced blessing in serving!

Thank you guys, you do us proud!
