It's about
numbers

& more...

How precious was it to celebrate the resurrection. I trust that you too had a great Easter and that your faith was renewed and energized as you celebrated the Risen Christ.

This term is an exam term so we'll be encouraging our students to work consistently with early preparation to ensure that the numbers on their report accurately reflect the intellectual gift God has placed in them.

But of course a school like ours does not just want to be about the numbers. Dr. Manny Ortiz, from Westminster Theological Seminary, wrote these wise words about the growth and success of the Christian organization: "growth is to be measured in numbers and more. It is to be measured also by their participation in bringing about of a new order, in establishing a community of love, and struggling for justice and peace as an anticipation of the ultimate revelation of God's kingdom." That's also

who we want to be as The King's School West Rand.

- 1). Preparing graduates who will represent a new order in their workplace one day, who will be a kingdom and priests to serve our God (Rev 1:6).
- 2). Establishing in our school a faith community of love that is a witness to all.
- 3). Forming in our students the calling to be redemptive agents in a broken and crying world - 'as an anticipation of the ultimate revelation of God's Kingdom'.

May the Spirit of God help us in our mission. We are so grateful that we are seeing fruit already and we thank God for his work.

WAITING CLASS

It has come to our attention that many children are waiting down at the field after school. Please note as per previous communication in The King's Ken, that NO child (Gr. 1 to Gr. 6) is allowed anywhere else other than the waiting class area i.e. Foundation Phase playground until 14:00. We cannot be responsible for your child's safety if they have been given alternative arrangements by parents.
