At The King's School we are always teaching subject matter with a Biblical Worldview. This means that we alert our students to the brokenness of every topic that they study (sin in the world has a corrupting influence on every aspect in the world), that God has saved us so that we may be part of his saving work in the world by being redemptive influences on brokenness and bringing restoration and wholeness, and that our work will be a fight against the ways of the world and the evil one.

In the 1800's, JC Ryle preached a sermon on "The Fight" (read the sermon at <https://www.gracegems.org/Ryle/holiness5.htm>) in which he says:

"There are thousands of men and women who go to churches and chapels every Sunday, and call themselves Christians. Their names are in the baptismal register. They are reckoned Christians while they live. They are married with a Christian marriage-service. They are buried a

Christians when they die. But you never see any "fight" about their religion! Of spiritual strife, and exertion, and conflict, and self-denial, and watching, and warring they know literally nothing at all. Such Christianity.....is not the Christianity of the Bible. It is not the religion which the Lord Jesus founded, and his apostles preached. True Christianity is "a fight"."

Pray with us that we may develop our children with knowledge and faith that is willing to be exerted with an attitude of self-denial to make this world a better place where God's Kingdom is come.

***Fight the good fight of the faith. Take hold of the eternal life to which you were called when you made your good confession in the presence of many witnesses. 1 Timothy 6:12***
