More than a school

I am currently studying a B-Ed (senior and FET phases), majoring in Physics, Chemistry and Mathematics. I also have an internship at Treverton College and am currently teaching grade 9 technology. I was reflecting on my years at The Kings School West Rand and the impact the teachers had in making me who I am today. Looking back I don't always remember what was taught however I do remember experiences and memories I had in the school thanks to the teachers. I remember discussions not based on the curriculum but rather based on what was going on in our lives and how they affect us and how we can deal with them, also discussions based on the bible and what God's Word says, and how we could state our views and opinions freely without being judged. It is those experiences that played a role in making me who I am and is part of the reason I am becoming a teacher myself. I would like to remind teachers of the impact they have and allow it to shape

how they teach. School is more than just curriculum, it is about growing students and instilling values in them, it is about fun and memories while learning, and it is about relationships that can change people. We need to have a growth mindset but also a future mindset and as teachers, you are making such a difference in the lives of these students.

Teachers at The Kings School West Rand have got this view right and I will remember them for as long as I teach and I will try and learn from them to grow me as a teacher. I would like to thank all those teachers who made an impact in my life as they are the reason I am teaching today.

Best regards

Reece Johnson

TKSWR WEEKLY SOCCER UPDATE

We had a week full of soccer action, from both the Primary School & High School. Our U10 soccer team played in the league Knock Out Cup semi-final during the week against Constantia Kloof Primary School. After full time the score was tied at 1-1. Our boys played their little hearts out but eventually lost the game in extra time. Well done boys. We are proud of you. A big thank you to Coach Jenny & Coach Sakkie for training and supporting you all season.

Our league matches against Maragon Ruimsig Primary School had good results:

- U10 Lost
- U12 Drew 0-0
- U13 Won

These matches ended the Primary School league for Term 2. We look forward to the SACSSA Junior 6-a-side National Tournament to be hosted at TKSQR on 8 June 2019.

Our High School soccer teams played league fixtures vs Waterstone College during the week. Congratulations to our U16 team who won 5 - 4.

Unfortunately our U19 & U14 teams were beaten. We look forward to our games on Monday vs Marion and hopefully improve on our wins. The U15, U17 & U19 teams have all qualified for the SACSSA Senior 6-a-side National Tournament to be hosted at TKSQR on 25 May 2019.

Thank you Ps Thomas of JLCC Zenzele and Ps Clete of GOMA Ministries and HEF for giving us all the opportunity to serve with you. We were blessed. Thank you to the Zenzele 14 for your love and compassion:
