THE HOPE OF A NEW DAWN

This last weekend I watched the Presidential Inauguration Ceremony. It was delightful, inspiring and meaningful. My favourite moment was when Chief Justice Mogoeng Mogoeng gave the President a Bible (seemingly unscripted in the programme) and President Ramaphosa gave it back briefly, asking the Chief Justice to personally inscribe the front cover.

25 years ago at his own inauguration, President Mandela said, "We have triumphed in our efforts to implant hope in the breasts of the millions of our people." On Saturday, it was again palpable that there was hope in our country for the "new dawn". As people of God, we remind ourselves that we have hope in our breasts, not for this President or for his party or for his government, or for that matter in any of the almost 50 political parties we may voted for, but our hope is in Jesus, "to whom all authority in heaven and earth has been given" (Matt 28:18).

The new government and all the other parties represented in parliament will surely disappoint us from time to time, but we do

well to remember that our hope is in Jesus and the "government shall be upon his shoulders, and his name will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace" (Is 9:6).

I am also reminded that the Bible tells us that those in positions of authority have been placed there by God. Romans 13 says, "The authorities are God's servants, sent for your good" (v4) and we should "give respect and honour to those who are in authority" (v7). Incredibly, these words were written originally about a Roman government that was exceedingly oppressive and cruel, and especially so towards the "followers of the Way", the early Christian church.

I am praying for God to have mercy on our people and to raise up God-fearing servants in every party and in positions of authority to lead us into the future. And regardless of the leaders that come and go, trusting that God will direct the course of our nation.

TKSWR WEEKLY SOCCER UPDATE

Our High School played their last round of the ISSL League last week vs Bishop Baven.

For the first time this season, all 3 teams played at home. We had wonderful home ground support and the atmosphere was exciting and festive, unfortunately our U14's lost.

The U16 & Open Team both finished with strong wins on the day. Congratulations to all the players & coaches as both teams have only lost one game each this season. We wait anxiously for the final log placing to see who qualifies for the league playoffs during Term 3.

- The last round of the Mini Soccer festival will be played on Friday, 31 May. If you are looking for a fun and heart-warming experience, then come day and support our budding soccer stars. The Tuck Shop will be open for your convenience.
- We look forward to the SACSSA Junior 6-a-side National Tournament to be hosted at TKSQR on 8 June 2019.

SACSSA

On Saturday 25 May, our school hosted the SACSSA (The Southern African Christian Schools Sports Association) Senior 6-A-Side National Soccer Tournament.

45 teams competed in the following age groups: U15, U17, U19 & U19 Girls. We had 4 teams competing on the day. Our U19 boys finished 4th overall.

Congratulations to our U15 boys who won the U15 category after winning the final 3 – 1. Thank you Coach Tony for steering them to victory.

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

PRAYER BEFORE AN EXAMINATION

Dear Lord, as I take this exam, I thank you that my value is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together.

Help me, not only with this test, but the many tests of life that are sure to come my way.

As I take this exam, bring back to my mind everything I studied and be gracious with what I have overlooked.

Help me to remain focused and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me.

Amen
