# Excellence in Education to the Glory of God

This is the vision of The King's School West Rand, our stated objective that sets the bar for what we do and forms the basis of our self-evaluation. It's not just **Excellence in Education** because many schools strive for excellence. It's an excellence that is intended for the **Glory of God**, an excellence that reveals God and celebrates his dominion in every subject area and personal development of students.

It's also important to stress that our vision statement is aspirational, a goal that, with God's grace and our faithful and consistent striving, we hope to achieve. But it is a joint effort between teachers, students and parents - the three-legged pot of good education. It's an endeavor that requires full engagement and a strong degree of trust between all members of the team.

Finally, we must emphasize that education is not just marks on a report. It is holistic growth in academics, skills, attitudes and values. We are hoping that by the time the students leave our school, we have imparted a set of ideals that students want to live up to ever after. That we are creating graduates that will be a gift to society, and who will seek to bring the Kingdom of God to bear on every work environment on earth.

May The King's School always strive to reflect King Jesus.

## TIGERS NATIONALS

As an athlete who has been competing in this sport for 5 years and now as captain in my last year, I can say that the 2019 Tigers Team has been one that has truly left me speechless.

We came together as one and supported each other when it was needed most. Long training sessions in the sun, tired bodies and sore muscles - we were still able to rise to the occasion.

The Kings Tigers placed 4th at SAMCA Nationals that was held in East London on the 22nd June 2019 at the Inkwenkwezi Private Game Reserve, this past holiday and as captain I could not be more proud of my team. Thank you for all the memories and well done for getting out of your comfort zones to achieve your goals.

We would like to also thank all the Parents, Supporters, Kings School Staff, and Coaches for their hard work in ensuring that the Kings Tigers Cheerleaders were able to perform at their best.
