From the Principal's Desk

The King's School West Rand provides a world class Christian education based on 4 pillars: Academics, Skills, Spiritual Formation and Biblical Worldview. Let's take a look at what Biblical Worldview entails.

In its very basic form, **Biblical Worldview is seeing with God's eyes**. As kids learn at school, we tell them that it's not about learning a bunch of random facts, but it's about how we put those facts together in an all-encompassing Christian value paradigm.

Our students learn to consider the material covered in class in the context of:

1. Worshipping God's incredible design of creation and his character reflected therein.
2. Discerning idols that mankind developed or that we might develop within the topic being studied, like love of money, power, comfort, and anything that displaces God as our first priority.
3. Seeking justice for the destitute and marginalised in the world and re-imagining a world where all can thrive.
4. Stewarding the creation that God has entrusted to us with regards

to sustainable use of natural resources.

5. Creating beauty out of brokenness (the mission of redemption that Christ has called us to).
6. Discovering God's incredible order within processes and systems.
7. Working as servants of God and the world ("for God so loved the world") to show his love and expand the Kingdom of God.
8. Enjoying the gifts that God has given us in his creation and in his working all things for the good of us who are called according to his purposes.
9. Building community with the shared purpose of doing everything as unto the Lord.
10. Reflecting the image of God in the application of our learning.

Biblical Worldview recognises that God has called us to join him as active participants in his mission. We have a solemn responsibility to represent God for the benefit of God's world, longing to see his image filling the world.

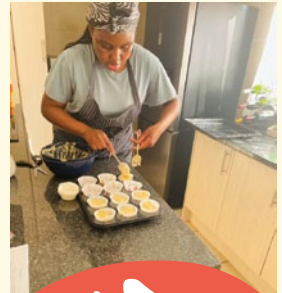

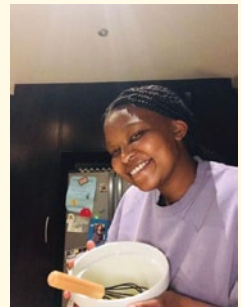

MR. KEN LANGLEY
Principal

ACCOUNTING FUN

It's not always easy to make Accounting come alive but the Grade 11's had a fantastic time completing their assessment this term. They were required to manufacture their own muffins and do all the costing involved. They even had to add their own secret ingredient to make them special and marketable. Wow, some amazing muffins coming out of these kitchens. Well done Grade 11's. We are super proud of you.

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

Another awesome day of Grade 7

PERFEET TRAINING

Life hacks on dealing with parents.

GIRLS JWV SOCCER LEAGUE

SOCCER

Our girls' soccer teams played their final games of the league this week, with the following results:

vs Glenvista High School (14/9)

U15's lost 1 – 0

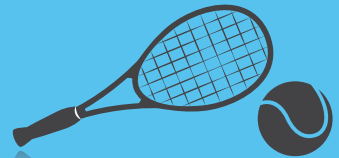

U17's drew 1 – 1

Well done to our U15 team who lost only 1 game this season. Our u17 team who drew 1 game and were unbeaten throughout the season, have had an excellent season.

We look forward to the completed league tables and hope to hear that the league playoffs will still take place.

WELL DONE GIRLS, WE ARE SO VERY PROUD OF YOU ALL.

TENNIS

Over the last week we have had a busy tennis schedule and played many matches against the following schools:

Primary School:

U11 (Gold) vs Trinity Little Falls

U13 (Gold) vs Roodekrans Laerskool

U13 (Blue) vs Florida Laerskool

High School:

U15 (Gold) vs Hoërskool Florida

It was a tough schedule and unfortunately we did not win any of the matches. We look forward to the last of the league fixtures early in Term 4 and hope to have some positive results.

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

ENROL NOW FOR 2022

Monday - Friday • 06h30-17h30
Full/Half Day • Meals included
