From the Principal's desk

Our school's vision is "Excellence in Education to the Glory of God". Some might think that excellence in education is all about preparing students to perform well in a university one day. Or to get a good job. But true excellence is much more than that. It is about forming students holistically (intellectually, spiritually, emotionally, physically and socially), who are able to serve God and bring his Kingdom to bear on their chosen career. When we get this right through the help of the Holy Spirit, our vision enlarges and we have the potential to change the world for good.

Dorothy Day, after a tumultuous youth, became a Christian and offered this suggestion for the Christian church worldwide:

What we would like to do is change the world—make it a little simpler for people to feed, clothe, and shelter themselves as God intended them to do. And, by fighting for better conditions, by crying out unceasingly for the rights of the workers, the poor, of the destitute—the rights of the worthy and the unworthy poor, in other words—we can, to a certain extent, change the world; we can work for the oasis, the little cell of joy and peace in a harried world. We can throw our pebble in the pond and be confident that its ever widening circle will reach around the world. We can give away an onion. We repeat, there is nothing we can do but love, and, dear God, please enlarge our hearts to love each other, to love our neighbor, to love our enemy as our friend.

By God's grace, and our faithful work, I pray that our school can create many cells of joy and peace in this harried world. May God enlarge our vision by enlarging our hearts to love one another.

INTERHOUSE RESULTS

After 2 years of very little sport and no athletic competition, we were able to hold our annual Inter-house Athletics competition on Wednesday 26 January 2022.

The day's competition includes our Foundation Phase, Intermediate Phase and High School.

The athletes compete for points for their houses as well as a Spirit Award (rah-rah). Our Four House are:

EMERALD - GREEN
JASPER - RED
SAPPHIRE - BLUE
TOPAZ - YELLOW

The house names represent four of the gem stones in the Breastplate of the High Priest which represent the 12 tribes of Israel (Exodus 28: 17-20).

It was a fun filled day with lots of fun and excitement. We are so grateful as a school that we were able to have such a day again.

ATHLETICS FRIENDLY ON THURSDAY, 27 JANUARY, 2022

We had the opportunity to compete at a friendly athletics meeting hosted by Trinityhouse Little Falls on Thursday, 27 January 2022. The schools that participated were Trinityhouse Little Falls, Curro Wilgeheuwel and The King's School West Rand.

It was an amazing opportunity for our athletes, Gr1 - Gr7, to have some new faces to compete against as well just getting back into the rhythm of being active again. They had so much fun and gave it their best on the day while enjoying the "normal" environment.

We are extremely proud of every single athlete that competed at the event.

We came 2nd overall with 274 points, while Trinityhouse came 1st with 429 points and Curro Wilgeheuwel 3rd with 180 points.

We praise every single athlete's performance and results as well the teachers and coaches that served as officials on that day.

LOST PROPERTY 22

Many of our young children have not yet learned how to look after their uniform and possessions. They misplace items regularly and these are then brought to the office lost property section. If the items are marked with their name, the child is called to collect the item, but many items are not marked. Please take note of the following:

- 1. Our students may visit the lost property officer, Mrs Tryphina Mooki at break time or after school to see if their item has been handed in.
- Parents may call Mrs Mooki on ext 115 to enquire whether their child's item is in the lost property.
- 3. Unclaimed items will be cleared every Wednesday and donated to charity.
- 4. Parents are encouraged to mark all uniform items clearly with name and surname (please not initials like KR, as this can't be traced).
- 5. It is recommended that for younger children items are marked with the parent's cell number.
- İron-on labels are inexpensive and will be stocked at the school wear shop. (These cannot be cut off like a tag and are neater and more effective)
- 7. Parents, please help us to train our children to steward their possessions well, it is a skill for life.
