# From the Principal's desk

In 1994, the Rainbow Nation project was launched. The term was coined by Archbishop Desmond Tutu, and pointed to a better life for all in the free South Africa.

In more recent times, it seems that many politicians have become intent on sowing dissension and racial hatred in order to further their own agenda. Their lust for power has set the country back in terms of the Rainbow Nation dream and our Coat of Arms motto, "*diverse people unite*".

As Christians, how may we work to recover the dream of the Rainbow Nation? I think there are some lessons to be learned from the American Civil Rights Movement and their determination to establish the 'beloved community', a united multiracial and multicultural society. The principles of beloved community were rooted in Scripture and provided a kingdom-shaped framework for a richer way of living life together. They were built around the love of Christ, love of others, redemption, reconciliation, nonviolence, and shared power.

For us in South Africa, we are one humanity in this country, diverse

but united, and our love of Christ and of others must drive us to search for "a kingdom-shaped framework for a richer way of living life together".

Martin Luther King had a vision for a Rainbow Nation. In "The Role of the Church in Facing the Nation's Chief Moral Dilemma" in 1957, King spoke of his ultimate goal:

*The end is reconciliation; the end is redemption; the end is the creation of the beloved community. It is this type of spirit and this type of love that can transform opposers into friends. The type of love that I stress here.... is agape which is understanding goodwill for all men. It is an overflowing love which seeks nothing in return. It is the love of God working in the lives of men. This is the love that may well be the salvation of our civilization.*

May God grant that through his transforming love, we may overflow this love to all our brothers and sisters, and bring redemption to our land and our people.

# HOCKEY

Our Hockey season is now in full swing, with both our boys and girls teams playing league matches every week. Facing some very tough competition, we are slowly but surely building our two teams and seeing improvement across the matches every week.

Our Girls team played against Krugersdorp High School on Thursday 21 April. Unfortunately our girls couldn't pull off the victory.

Our Boys team faced Trinityhouse Little Falls on Wednesday 20 April. The match was played in good spirit and Trinityhouse won.

**We are also looking forward to announcing the results from two of our Hockey fixtures:**

- 1st Team Girls vs Curro Krugersdorp being played on 25 April
- 1st Team Boys vs Hoërskool Randburg being played on 28 April

We will continue to practice hard, and the results will surely follow.

## Upcoming fixtures

**Tuesday 03 May @ Hoërskool Linden Astro**

1st Team Boys vs Hoërskool Florida..... 15:00 – 16:30

**Thursday 05 May @ Hoërskool Bastion**

1st Team Girls vs Hoërskool Bastion.....15:00 – 16:30

# Netball

Our Primary School and High School netball girls started with their first league matches during the week of 18 to 22 April and did well.

We are very proud to be represented by players so eager and positive for the season ahead and we wish them the best of success for the rest of the season.

## G7 Netball And 6 a side Soccer Festival

On Saturday, 23 April, we had the opportunity to host and compete in the G7 Netball and Soccer Festival. The schools that participated were The King's School West Rand, The King's School Robin Hills, The King's School Linbro Park, Alma Mater, Andrew Academy and North West Christian School, with over 30 teams participating from U9 to U19.

It was a great opportunity for our players to compete against strong opposition. Exciting and competitive sport took place on the courts and fields. They had so much fun and gave it their best on the day while enjoying the "normal" environment.

We are proud of every single team that participated at the event.

All teams were competing to qualify for the annual SACSSA National Netball and Soccer 6-a-side tournaments to be held later in May. We are so proud of our teams who have qualified to represent our Region.

**Please Note:** In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

# Soccer News

Our High School teams were in action for the first time in two years. We participate in the ISSL (Independent Schools Soccer League). Results for round 1 vs Waterstone College are as follows:

U14 won 14 – 4  
U16 lost 7 – 2  
U19 lost 2 – 0

We look forward to improved results when we play Pinnacle College Kyalami next week.

## PRIMARY SCHOOL:

Our first matches this week are in the Knock-Out Cup vs Roodebeeck in which our U10 – U13's will compete. Our U9's have a bye and will then go through to the next round.

## MINI SOCCER

Exciting news for the U7 – U9 teams is that they will participate in the Mini Soccer Festival hosted by TKSQR (U7 & U8) and Weltevreden Park (U9) on Friday afternoons, beginning Friday 29 April 2022.
