Among these faithful ones I want to highlight all the teachers from preschool through to Grade 12, parents who have sacrificed for their children and of course, students who contributed hard work and dedication - it is you, as a team, a body of Christ that have brought honour to The King's School West Rand and the King.

Well done, Matrics of 2023!!

WHY DO YOU PAY SO MUCH MONEY FOR YOUR KID TO DO SPORTS?

"People always asked "Why do you pay so much money for your kid to do sports"? Well I have a confession to make; I don't pay for my kid to do sports. Personally, I couldn't care less about what sport they do.

So, if I am not paying for sports what am I paying for?

- I pay for those moments when my kid becomes so tired, they want to quit but don't.
- I pay for those days when my kid comes home from school and is "too tired" to go to their training but goes anyway.
- I pay for my kid to learn to be disciplined, focused and dedicated.
- I pay for my kid to learn to take care of their body and equipment. To learn how to correctly fuel their body for success.
- I pay for my kid to learn to work with others and to be a good team mate, gracious in defeat and humble in success.
- I pay for my kid to learn to deal with disappointment, when they don't get that placing or title they'd hoped for, but still, they go back week after week giving it their best shot.
- I pay for my kid to learn to make and accomplish goals.
- I pay for my kid to respect, not only themselves, but others, officials, judges, coaches and the rules of the game.
- I pay for my kid to learn that it takes hours and hours, years and years of

hard work and practice to create a champion and that success does not happen overnight.

- I pay for my kid to be proud of small achievements, improving on PB's (personal best) and to work towards long term goals.
- I pay for the opportunity my child has and will have to make life-long friendships, create lifelong memories, to be as proud of their achievements as I am.
- I pay so that my child can be in the gym instead of in front of a screen...
- I pay for those rides home where we make precious memories talking about practice, both good and bad.
- I pay so that my child can learn the importance of time management and balancing what is important like school and keeping grades up, spiritual growth and serving the community.
- I could go on but, to be short, I don't pay for sports; I pay for the opportunities that sports provides my kid with to develop attributes that will serve them well throughout their life and give them the opportunity to bless the lives of others. From what I have seen so far I think it is a great investment!"
