

2 October 2024

Dear Grade 7 to 11 Parents,

TEXTBOOKS 2025

We are continuously reviewing the process of purchasing textbooks and have opted to outsource, once again, the procurement of the bulk textbooks from PNA Featherbrooke. There are, however, still some books that can only be purchased through the school.

Attached you will find two textbook order forms: a PNA order form and a School order form.

THE PNA ORDER FORM

We have decided to work alongside PNA Featherbrooke who provided us with the best prices for the books on the textbook lists for each grade. PNA Featherbrooke has bent over backwards to provide us with the most affordable prices.

Please consider some logistics regarding the return of this form and collection of books:

- This form must **not be returned to school** but **handed in at the PNA at Featherbrooke**. Please take the order form, with your selection indicated, to the PNA Featherbrooke. PNA will order the books in bulk from the numbers we have given them and will only receive them at their store **by the end of October**.
- Please do not go there immediately but wait for the end of October because otherwise, you may leave empty-handed. We advise all parents to purchase the books from PNA timeously and not get caught up in the back-to-school rush at the beginning of 2025.

SCHOOL ORDER FORM

This form must be returned to the school **by Friday, 4 October**. These books will be ordered in bulk from the publishers directly because these books cost substantially more if bought through a supplier. A penalty of 10% of the cost price will be added to any late orders.

Parents will be invoiced for these textbooks/workbooks on their 2024 November school account. These textbooks and workbooks will be available to the learners at the start of the 2025 school year.

The Life Orientation, Mathematics, and Afrikaans textbooks are compulsory for every learner and can only be bought from the school as we source the textbooks directly from the supplier to minimise the cost involved.

Please note that the following English and Afrikaans books are NOT on the order list but will be ordered next year (2025):

Book	Approximate price	Order time
Gr 11: English: IEB Poetry resource for Grade 12	R450	August
Gr 11: Afrikaans Kortverhaal gids	R200	August
Gr 11: Afrikaans Donkerweb gids	R200	January

New books and books that have been discontinued

Most of the 2024 textbooks have remained the same for 2025. The table below has been provided for your convenience, especially for the parents/learners who would like to purchase second-hand books from current learners.

The table below indicates which textbooks are new to 2025 and which have been discontinued.
